Dear Sir/Madam,

I am pleased to attach Representations made on behalf of Gallagher Estates, in response to your Issues and Options consultation of the Black Country Core Strategy Review.

I have been informed that your server has a 5mb threshold for files. Please note that the attachments are meant to be read as one document, but due to the size we have had to separate the files so that you receive the information in time for the deadline.

We will be sending a separate paper copy of the compiled document to Walsall Council next week, as well as the fully compiled electronic copy on a CD. The call for sites submission and technical compendium relate to the Home Farm, Sandhills, Walsall site.

Please also find attached the requisite response form to accompany the Representations.

Other emails are to follow containing Appendix C.

Many thanks and kind regards,

[REDACTED]
