**Subject:** Halesowen's countryside

Please do not 'give away' our very special countryside around Halesowen. We need green spaces to enrich our lives and to help us cope in this ever-busy world. Children need green spaces to run and also learn how to care for plants/trees/insects/animals. They are the adults of the future and need to learn how to care for the environment they live in.

It is so very important to all of us and if you allow it to be developed and built upon it will be gone FOREVER !!!!!
