SMAA PLAN

SAD PLAN

NOTE: 20% SPECIAL SUPPORTED SITES  
 CHANGED FROM SMO POSSIBLE SITES  
 Reason: due to Grade 1 Agricultural land status

- \*Agricultural land classification report April 2004 confirms that the site is Grade 1A (not Grade 1)
- \*The site is suitable for general housing and should be included in the SAD consultation
- \*Good access and accessibility
- \*Not adjacent to or within sight for particular sensitivity to pollution. Environment similar to other sites included in the SAD sites
- \*It has the potential to accommodate a community health centre as community health
- \*It can be potential to provide affordable housing and general market housing
- \*A national undertaking can enable intermediate / self build housing for local people

AERIAL PLAN

- 10 Affordable Homes
- 10 General Housing
- 4 Special local homes
- Community Health Centre
